

BI Analyst (m/f)

We are Whow Games

In the heart of Hamburg City, your new job is waiting for you - including startup feeling. Together with 50 colleagues, you work to bring the glamour and entertainment of Las Vegas to Europe - with our successful Social Casino on Jackpot.de. From slot machines to table games, our players can experience the entire entertainment experience of the largest casinos in the world for free on their smartphone, tablet or PC.

Who are we looking for?

Are you an experienced **BI Analyst (m/f)** and looking for the challenge in the conception and realization of Big Data Analyzes? Then we are looking for you for our Hamburg game factory! Full time and preferably ASAP.

Your responsibilities:

- Development of Big Data Analytics applications
- Personally responsible for analysis, evaluation, performance measurement and monitoring of all relevant data and campaign KPIs
- Provide action and optimization procedures for all teams
- Prepare forecasts and reports with the help of R and Periscope as well as advice on leads
- Development of new BI tools as well as new features
- Direct communication with teams and team leads to optimize campaigns and events

What you bring:

- Successfully completed studies in the field of statistics, computer science, economics, social sciences, media or communication sciences, neurosciences, or psychology, with an emphasis on statistics
- Relevant work experience in the field of Business Intelligence
- Experience in the analysis of a B2C product
- Excellent knowledge of R and SQL
- Knowledge of Machine Learning is an advantage (R: CARET Package)
- Experience with data visualization and reporting software (Periscope, Tableau)
- Strong analytical and conceptual skills, as well as sound general technical understanding
- Proven knowledge and experience in project management
- Excellent German and English knowledge, both spoken and written
- Above-average regard for quality, as well as extremely reliable and independent working methods
- Teamwork skills, as well as confident and professional appearance
- Well-developed talent for organization and coordination
- Experience in the online gaming industry is an advantage

In addition to start-up flair and exciting tasks, we offer:

- Dynamic environment with flat hierarchies and quick decisions
- Flexible working hours and home office
- Regular company events
- Fruit, drinks and meal allowances
- Contribution to the HVV Profi Card
