

Mobile Developer (m/f)

We are Whow Games

In the heart of Hamburg City, your new job is waiting for you - including startup feeling. Together with 50 colleagues, you work to bring the glamour and entertainment of Las Vegas to Europe - with our successful Social Casino on Jackpot.de. From slot machines to table games, our players can experience the entire entertainment experience of the largest casinos in the world for free on their smartphone, tablet or PC.

Who are we looking for?

You are a passionate **Mobile Developer (m/f)** and you are looking for exciting, agile and complex web projects and you are enthusiastic about new technologies? You love to work out system architectures and technical solutions for highly individual projects? Then we are looking for you for our Hamburg Game Factory! Full time and preferably ASAP.

Your responsibilities:

- Conception and development of applications for Android and iOS with Corona Labs Framework
- Responsible for extending existing apps with complex features
- Creation of software design and implementation of technical requirements
- Performing tests of the developed software components
- Ensuring code quality through reviews and static code analysis
- Responsibility for the entire product life-cycle of the apps from conception to deployment
- Defining architectural and system design standards for our apps
- Design sophisticated user interfaces in close collaboration with UX designers

What you bring:

- You have excellent knowledge of working with Xcode and Android Studio, Swift, or Objective-C and Java
- Also very good knowledge of Lua, C #, Javascript
- Experience with Unity 3D and Corona Labs is an advantage
- Version control (Git) and the console are your daily companions
- You know that a successful app is not only determined by algorithms, but the handling and the UI are important factors
- Your way of working is systematic, analytical and always quality-oriented
- You already have several years of work experience as a developer and yet you're ready to grow, and grow with us
- A team-oriented, autonomous and structured way of working completes your profile
- Good knowledge of English

In addition to start-up flair and exciting tasks, we offer:

- Dynamic environment with flat hierarchies and quick decisions
- Flexible working hours and home office
- Regular company events
- Fruit, drinks and meal allowances
- Contribution to the HVV Profi Card
