

## Full Stack Developer (m/f)

### We are Whow Games

In the heart of Hamburg City, your new job is waiting for you - including startup feeling. Together with 50 colleagues, you work to bring the glamour and entertainment of Las Vegas to Europe - with our successful Social Casino on Jackpot.de. From slot machines to table games, our players can experience the entire entertainment experience of the largest casinos in the world for free on their smartphone, tablet or PC.

### Who are we looking for?

You are a passionate **Full Stack Developer (m/f)** and you are looking for the challenge of programming sophisticated, exciting, and highly individual online games? Then we are looking for you for our Hamburg Game Factory! Full time and preferably ASAP.

### Your responsibilities:

- Guidance of conception, development and optimization of complex, innovative software solutions in full-stack using the latest technologies and agile approaches
- Development of system architectures and technical solutions for highly individual projects
- You will mainly work with PHP/HTML5/CSS3 and Javascript to develop world-class codes for the broad spectrum of our entertainment portals
- Cooperation in the implementation of designs, workflows and components as well as their integration in our products and web applications

### What you bring:

- At least two years of professional experience as a full-stack developer
- Excellent development skills with PHP, HTML5, CSS3 and JavaScript
- You have strong abstract and analytical thinking abilities, and strong communication skills
- Experience with NodeJS and build tools like Grunt or Gulp
- Web server, version control (Git) and the console are your daily companions
- You are a good team player and like to work independently within flat hierarchies
- You already have several years of experience as a Full Stack Developer and yet you are ready to grow, and grow with us
- Very good knowledge of English

### In addition to start-up flair and exciting tasks, we offer:

- Dynamic environment with flat hierarchies and quick decisions
- Flexible working hours and home office
- Regular company events
- Fruit, drinks and meal allowances
- Contribution to the HVV Profi Card
