

## Legal Counsel (m/f)

### We are Whow Games

In the heart of Hamburg City, your new job is waiting for you - including startup feeling. Together with 50 colleagues, you work to bring the glamour and entertainment of Las Vegas to Europe - with our successful Social Casino on Jackpot.de. From slot machines to table games, our players can experience the entire entertainment experience of the largest casinos in the world for free on their smartphone, tablet or PC.

### Who are we looking for?

You are an experienced **Legal Counsel (m/f)** and looking for the challenge of company-wide control of legal proceedings? Then we are looking for you for our Hamburg Game Factory! Full time and preferably ASAP.

### Your responsibilities:

- Internal strategic support and advice on all legal issues
- Independent legal support for projects
- Examination, design and negotiation of terms and conditions as well as contracts for large media partners in Germany and abroad
- Cooperation with external mandate holders
- Cooperation with German and foreign supervisory authorities
- Representation of the company towards third parties (for example customers, working groups, associations)
- Close collaboration and communication with executives, entrepreneurs and professionals of the leading media companies worldwide
- Ongoing analysis of case law
- Harmonization of the company's legal strategy with political and business objectives

### What you bring:

- You are a fully qualified lawyer; ideally with a focus on administrative law, competition law and contract law
- Min. 3 years professional experience in a company or commercial law firm
- You bring understanding for the internet world and, ideally, gaming industry
- Strong communication skills and fluency in English make you stand out
- You have an analytical and high-concept style of working and the ability to understand high levels of complexity
- You want to make a difference and are a team player with an entrepreneurial sense and a solution-oriented way of working
- Knowledge of gambling law is an advantage

### In addition to start-up flair and exciting tasks, we offer:

- Dynamic environment with flat hierarchies and quick decisions
- Flexible working hours and home office
- Regular company events
- Fruit, drinks and meal allowances
- Contribution to the HVV Profi Card
