

Balancing Specialist (m/f)

We are Whow Games

In the heart of Hamburg City, your new job is waiting for you - including startup feeling. Together with 50 colleagues, you work to bring the glamour and entertainment of Las Vegas to Europe - with our successful Social Casino on Jackpot.de. From slot machines to table games, our players can experience the entire entertainment experience of the largest casinos in the world for free on their smartphone, tablet or PC.

Who are we looking for?

We are looking for a **Balancing Specialist (m/f)** at the earliest possible date. Are you passionate about playing slot games? Do you know how to provide players with the best gaming experience? Then we are looking for you for our Hamburg Factory! Full time and preferably ASAP.

Your responsibilities:

- You are responsible for ensuring great game motivation (Easy to understand, hard to master)
- Good management between free game play and the purchase of virtual currency
- Supportive conception of product and feature design based on different balancing models
- Constant market observation and comparison of our products with the competition
- Daily review and testing of the economy and the impact of product changes
- Differentiated elaboration of balancing concepts based on specific user groups / platforms
- Implementation of the game ideas in close cooperation with programmers and graphic artists
- Independent writing of the users stories

What you bring:

- Ideally, experience in the slot or casino area
- Very strong analytical and mathematical skills
- Many years of experience in balancing or economy design or similar topics.
- Ideally, a degree in Game Design and related work experience
- Very good understanding of mobile and / or web games
- A good sense of what makes playing fun and what players want
- Team player and excellent communication skills (both oral and written)
- Detail oriented

In addition to start-up flair and exciting tasks, we offer:

- Dynamic environment with flat hierarchies and quick decisions
- Flexible working hours and home office
- Regular company events
- Fruit, drinks and meal allowances
- Contribution to the HVV Profi Card
