

## PHP Developer (m/f)

### We are Whow Games

In the heart of Hamburg City, your new job is waiting for you - including startup feeling. Together with 50 colleagues, you work to bring the glamour and entertainment of Las Vegas to Europe - with our successful Social Casino on Jackpot.de. From slot machines to table games, our players can experience the entire entertainment experience of the largest casinos in the world for free on their smartphone, tablet or PC.

### Who are we looking for?

You are an experienced **PHP Developer (m/f)** and you are looking for the challenge of programming sophisticated, exciting and highly individual online games? Then we are looking for you for our Hamburg Game Factory! Full time and preferably ASAP.

### Your responsibilities:

- Development of back-end technologies for our apps and web projects
- You develop new software for future projects
- Close cooperation with the front end team and mobile APIs
- Participate in discussions with other team members about technical best practices to work together to find optimal technical solutions
- Development of system architectures and technical solutions for highly individual projects
- Expect exciting, agile and complex web projects

### What you bring:

- Very good knowledge of object-oriented PHP development and SQL databases, experience with NoSQL databases is an advantage
- Experience in the connection and provision of web services, scalable server architectures under Unix and AWS
- Web server, version control (Git) and the console are your daily companions
- You have a basic understanding of HTML, CSS3, JavaScript, and the technologies used on the client side
- You are a good team player and like to work on independently within flat hierarchies
- High regard for quality, reliability and technical topicality
- You already have several years of experience as a back-end developer and yet you're ready to grow, and grow with us
- Very good knowledge of English

### In addition to start-up flair and exciting tasks, we offer:

- Dynamic environment with flat hierarchies and quick decisions
- Flexible working hours and home office
- Regular company events
- Fruit, drinks and meal allowances
- Contribution to the HVV Profi Card
