

3D Artist (m/f)

We are Whow Games

In the heart of Hamburg City, your new job is waiting for you - including startup feeling. Together with 50 colleagues, you work to bring the glamour and entertainment of Las Vegas to Europe - with our successful Social Casino on Jackpot.de. From slot machines to table games, our players can experience the entire entertainment experience of the largest casinos in the world for free on their smartphone, tablet or PC.

Who are we looking for?

Are you an experienced **3D Artist (m/f)** and looking for the challenge of creating sophisticated web projects? Then we are looking for you for our Hamburg game factory! Full time and preferably ASAP.

Your responsibilities:

- You are jointly responsible for the conceptual and visual representation of our products
- You create high-quality, static and animated 3D graphics
- Improvement of the user interface of our apps and web projects
- Development and implementation of design proposals and graphic assets
- Creation of innovative concepts and their creative implementation
- Expect exciting, agile and complex web projects

What you bring:

- Sound knowledge of Adobe Photoshop
- Good feel for aesthetics & design, typography and usability
- Experience in logo and CI development
- Development and implementation of design proposals and graphic assets
- Basic understanding of HTML and CSS
- Other design abilities such as illustration, 2D and animation advantage
- You have several years of professional experience as a 3D artist and yet you are ready to develop and grow with us?
- You have a regard quality and enjoy creating visual solutions in the web area

In addition to start-up flair and exciting tasks, we offer:

- Dynamic environment with flat hierarchies and quick decisions
- Flexible working hours and home office
- Regular company events
- Fruit, drinks and meal allowances
- Contribution to the HVV Profi Card
